Feedback quotes:

“All demos were beneficial”

“A first class meeting. Very informative and thought-provoking”

“I had a chance to meet people I wouldn’t normally meet and to get their views on RHI and the service we provide”

“The visit was well hosted and provided a lot of valuable information including ideas for future development”

“Was good to see the gasification system. Was also good to see different boiler makes”

“Only thing I would change would be to have a louder mic as the speaker’s voices got lost in the shed”

“Interesting and worthwhile day, thank you for organising”

“Would be interesting to revisit in a year to see how project is going”

“Struggled to hear the gasification presentation”

“...Excellent open day”
